## CANDIDATE BRIEFING PACK

# CANDIDATE BRIEFING

FutureMotiv has partnered with Jonathan Lee Recruitment to identify and appoint talented individuals to join their rapidly expanding business.

## ABOUT FUTUREMOTIV

FutureMotiv Limited is an engineering company that specialises in electric and hybrid vehicle systems and integration. They provide engineering services and components to support both prototype and production vehicle programmes at all stages of development including feasibility studies, design, integration and testing.

Their services include:

- System Architecture & Control Engineering
- High Voltage Battery Engineering
- Power Distribution & HV System Design
- Functional Safety & Reliable Processes
- Power Electronics
- Product Development & Integration
- Prototype Component & Harnesses

FutureMotiv was founded in 2018 by Mark Basten and immediately entered into a partnership with RLE International, a global company that focuses on concept & design, vehicle development, prototyping and production.

The team has continued to grow over the last few years and in 2021, the RLE - FutureMotiv team moved into their new offices at The American Barns, just outside Leamington Spa, Warwickshire.

This custom-built and fitted out workspace provides the perfect environment for their 100+ strong team to work and grow.

# WORKING AT FUTUREMOTIV

FutureMotiv is innovating the engineering of future vehicle technologies and at the same time is having a positive impact on their environment. They believe it is a privilege to be able to do both.

Their passion for EV, hybrid and future technologies is reflected throughout all of their products and services.

This is why it's important to have the right team behind them - We are therefore working as the recruitment partner to FutureMotiv to find and attract the right people to join their team

The company now has employees from all around the world speaking over 20 languages, they are a truly inclusive workplace and are keen to welcome the best minds to their business.

## Benefits:

A successful candidate can expect to receive benefits which include:

- Modern, open-plan office with scenic views of the Warwickshire countryside
- EV charging points throughout the site for staff use

## INTERESTED IN BECOMING PART OF THE TEAM?

There are many career development opportunities at FutureMotiv for high-performing employees right across the business - If you feel you would be a good fit we would love to hear from you.

FutureMotiv are an equal opportunities employer and would welcome applicants of every type.

## RECRUITMENT PROCESS

- Initial phone call and interview with a Jonathan Lee Recruitment consultant
- Successful candidates will be submitted for consideration
- First stage Teams call with nominated employees from FutureMotiv
- Second stage onsite interview which will involve site tours and a more detailed technical discussion
- Certain vacancies may require an online test, but this will be discussed at the appropriate time and subject to FutureMotiv's request
